CITIZENS BOND COMMITTEE WEBSITE NOW AVAILABLE

(December 30, 2005) – Wanting to reach as many Frisco residents as they can, members of the Citizens Bond Committee have created a website:
www.friscobonds.com.

The purpose of this site is to inform the citizens of Frisco of the existence of the Citizen Bond Committee, what it does, and how it affects them. The site is also being used to collect citizen input so that the CBC can get a better feel for what the citizens are thinking.

The site lists proposed projects that could be presented to the citizens for a vote as early as May.

The next meeting of the Citizen Bond Committee will be at 6:30 p.m. Monday, Jan. 9 on the second floor of the Frisco Conference Center.
